# How to Add Mobile Bookmarks

This training guide demonstrates how to create a bookmark on a Samsung Android device.

#### Step 1

Open a browser on your Samsung Android device.

#### Step 2

Type in the URL address. Click Go.

**Please Note:** To find the URL, please reference the confirmation email sent when you initially registered for your website access or contact your Advisor.

## Step 3

Choose Bookmarks. Click the "+" (plus) sign. Rename the bookmark as desired, then click SAVE.

### Step 4

A bookmarked icon of this page will now appear under the "My Device" category. Press and hold **this icon** until a menu appears

# Step 5 Select "Add shortcut to home screen."

### Step 6

The icon logo should now appear on the home page.

If there's an issue connecting to your accounts, you'll receive a status message describing the problem. Click on the message to learn how to fix it.
